

AFRICADNSCHECK

POWER DNS FOR AFRICA

Innovate! With Frogans addresses

BIAOU Ramanou
Project Coordinator

▪ AfricaDNSCheck, Who are we?

- Large DNS and Internet community program in Africa
- Contributor to DNS Infrastructure resilience
- Two Projects: ***AfricaDNSCheck Tools*** and ***Abuse.Tools***

▪ Initiatives with Frogans technology

- Raise awareness about Frogans Technology within the community (Developers, Engineers, etc.) .
- Frogans address watch service using FCR Public Data (Service using data supplied by the FCR Operator).
